SPECIAL ATTENTION is called to the **Commitment to Animal Care, General Rules & Regulations** printed at the beginning of the prize list. Failure to abide by IPE rules may result in disqualification, forfeiture of prize money & possible disbarment from the fair.

VETERINARY CHECKS All Goats will be subject to a veterinary check on IPE premises on Tue, August 29th. It is mandatory that exhibitors are with their animals while the Vet checks are taking place.

NOTE: the IPE reserves the right to substitute a three-person health check committee, per CGS show rules.

EXHIBITOR INFORMATION

1. These shows are sanctioned by the Canadian Goat Society, & all C.G.S. rules shall govern. A copy of these rules will be on site for references.

3. Penning: The IPE shall have full discretion to dictate & assign stall space. Generally, pens will be allotted, allowing 1 pen for every 3 animals entered. Due to limited stall space entries may be limited. Entry fees will be refunded for those herds which we are unable to accommodate, herds will be given notification as soon as possible. **All stalls must be cleaned before 8am each day.** No manure from the small livestock barns to be put out after the pile has been removed.

4. Entries: Maximum entries are restricted to 3 entries per class, per breed, per Exhibitor. Substitutions may be accepted within classes at \$1 each, before Wed, August 30th. Base date for age calculation is August 30th. Horned animals will be barred from showing. Over-distended udders may be subject to disqualification by the judge. **NO** bucks or goats not entered in show are allowed on the grounds unless previously arranged at the discretion of the director eg, nursing kids or demonstration breeds.

4. The IPE & the Show Committee reserves the right to rearrange classes & breeds to be sanctioned after entries close as number of entries warrant.

5. Milk Disposal: No milk to be sold on fairgrounds, nor to be dumped in drains, dumpsters or septic systems. Facilities will be arranged to dispose of milk on site. Your

co-operation is appreciated.

6. Registration: The original certificate of registration or recordation is required for each animal six months of age or older. Animals under six months of age must have papers applied for & a photocopy of application must be given to the show committee. The certificates must always be available for inspection. All entries must be legibly tattooed, & all tattoos must match certificates exactly. A tattoo/certificate check will be conducted before the show, & ineligible animals will be disqualified with no refund of entry fees. Please check certificates/tattoos before leaving home. If in doubt, contact your Director.

7. Animal Welfare: In recognition of minimum standards of animal welfare the IPE requires each Exhibitor to maintain their pens in a neat & clean state throughout the fair. Animals must be fed & watered regularly & adequately. If you are unable to provide the care yourself, please make arrangements for someone else to look after your herd in your absence. Failure to keep animals in a reasonable state of appearance or provision may result in entries not being accepted the following year, upon the recommendation of the Goat Division Committee. If an animal is visibly ill or injured, the IPE reserves the right to arrange veterinary services at the expense of the herd owner, upon the recommendation of the Goat Division Committee, or the management of the IPE. Such services are payable upon provision. Outstanding fees for veterinary services will be deducted from prize money, or other efforts to collect will be made.

8. Signage: In recognition of our responsibility to inform/entertain the fair-going public, the IPE requires that each herd provide the following MINIMUM stall display information: a) Herd sign, minimum 1' x 1' square. b) Identification of each animal, including at least the name, birth date & breed shown. c) Decorations & educational material to attract the attention of the public, which must be in place by 10am Wed, when the fair opens to the public. Please ask the show committee for the possibility of access to the barn for early setup (ie Monday)

9. Failure to abide by the above rules or the IPE Rules at the beginning of this book or with CGS show rules may result in disqualification, forfeiture of prize money & possible disbarment from the fair If you are UNABLE to attend or you are bringing fewer animals.
